Fremont Insurance Company Earns Community Builder Award from United Way of The Lakeshore

Company raised more than \$16,000 for the annual Community Campaign

Fremont, Michigan, May 17, 2010 – Fremont Insurance Company along with its employees has been recognized as a “Community Builder” by United Way of the Lakeshore. The award was presented to the company at the organization’s annual meeting. The award recognizes companies that GIVE, ADVOCATE, and VOLUNTEER within the community and on behalf of United Way.

“Fremont Insurance Company and its employees have been part of the United Way Campaign for several years, and each year we set a goal to exceed our previous year’s total,” said Kurt Dettmer, Vice President of Marketing for Fremont Insurance. “This year was our most successful campaign since we began, and while we are very appreciative of the recognition from United Way, what we are most proud of is the giving spirit shown by our employees this year.”

Last year, Fremont Insurance Company employees raised \$10,164 for the annual United Way Community Campaign, just exceeding the goal of \$10,000 set by the company at the start of the effort. This year, the company set a goal of \$12,000 which seemed challenging based on the previous year’s total. One day after the campaign opened, Fremont Insurance Company Employees had already given over \$10,640. By the conclusion of the campaign, the company had raised \$16,360.53 for the United Way of the Lakeshore, making Fremont Insurance Company and its employees one of the campaign’s largest contributors.

The United Way campaign raised \$2,725,740 in Muskegon, Oceana and Newaygo counties, exceeding the three-county goal of \$2.68 million.

Muskegon Community College and the SEIU and the Michigan Education Association; Parmenter O’Toole; Gray & Co. and the International Brotherhood of Teamsters 406 also received the Community Builders Award at the annual meeting.
